

# NORTH WALES BLUES & SOUL FESTIVAL 2022

## IMPORTANT NEWS FOR 2022

Due to the on-going redevelopment of Theatr Clwyd's main building, the outdoor space that we usually use is now occupied by 'The Mix', a state of the art temporary 270 seat theatre. Rather than having to relocate our festival, Theatr Clwyd has kindly allowed us to use 'The Mix'.

This will mean the following changes:

1. This year's festival is an indoor event with two stages
2. Full bands will play on the main stage in 'The Mix'.

After each full band set, the audience will move to the marquee bar where solo artists & duos will play.

3. 'The Mix' has theatre seating in rows so reluctantly; standing or dancing is not permitted in these areas. There will be small areas made available for dancing.
4. In addition to the marquee bar, there will be vendors outside serving local real ales & hot food.

These changes are temporary and we will return to the outdoor festival format as soon as possible. We apologise for any disappointment and thank you for your support.

It will still be an amazing festival... enjoy!
